Under certain circumstances, the club may allow the buyer of a home in The Peninsula to assume a retiring member's membership. This may offer the buyer financial savings in joining, and is handled on a case-by-case basis. Ask your Realtor for details, and be sure to ask them to confirm availability & terms with the home's seller and the Club.

\$ Pay as you go with member number or charge purchases to your club account to fulfill \$800/yr. food minimum. Food is the only purchase that counts toward food minimum.**

\$ Access, with fee for services or goods
